

COVID19 Rules and Regulations Form Winter Indoor Dundurn 2021-22

- Masks must be worn at all times
- Entry may be limited as weather gets colder, meaning overhead door will only be open in between rounds(we generally have 3 rounds of races) This could mean that doors will be closed at a certain time before a round and will not open again till the end of the next round.
- Hand sanitizer will be present at both entry points into the curling rink must use when re-entering the premises
- Everyone must sign in of the building indicating name, phone number.
- Must provide vaccination record or Negative COVID19 test (test must be done within 72 hours of entry)
- Failure to comply with the above mentioned can result in termination of membership.
- My signature below certifies that I understand and accept the conditions required for the participation listed above.
