

COVID19 Rules and Regulations Form Winter Indoor Dundurn 2020-21

- Masks must be worn when 2 meter distance cannot be met (drivers stand is a must)
- All racers must enter and exit thru overhead door

Entry will be limited as weather gets colder, meaning overhead door will only be open in between rounds(we generally have 3 rounds of races) This could mean that doors will be closed at a certain time before a round and will not open again till the end of the next round.
- Hand sanitizer will be present at both entry points into the curling rink must use when re-entering the premises
- Everyone must sign in and out of the building indicating name, phone number, date and time.
- No out of province people may enter the premises
- Only one person maybe in the common area(where the bathrooms are located) at a time this includes any hockey players and racers and must be wearing a mask
- We may not enter the common area when there is a switchover between practicing hockey groups, we are to check Dundurn website for times others are expected into the building

Failure to comply with the above mentioned can result in termination of membership.
